Curious Fantasy

Duration – ca. 7:00

Program Notes

Curious Fantasy is a sort of love letter to the fantasy genre of films and video games. It specifically pays tribute to the types of music that have emerged as a result of composers borrowing ideas from past creations to create a musical representation of the genre. This has led to an organic birth of the fantasy genre of music. *Curious Fantasy* is a lighthearted piece that draws inspiration from this musical genre and takes them to new places.
